**TUM Informatics: Facts and Figures**

Studying in Munich

**Germany’s Leading Department of Informatics**

In the subject ranking for ‘computer science’ the Shanghai Ranking, the QS World University Rankings by Subject, have assessed the TUM Informatics as being the top Department of Informatics in Germany for several years now.

**Best Career Opportunities for TUM Graduates**

In the worldwide “Global Employability Survey 2014” the TUM holds the 8th place as the only German university amongst the 25 worldwide leading universities, in the assessment of graduates by international enterprises.

**FACULTY OF EXCELLENCE**

Close cooperation with industry

**Informatics**

- Biomedical Computing
- Computational Science and Engineering
- Informatics: Games Engineering

**Informatics Part Time 50% / 66%**

- 18 / 5 Informatics (Postgraduate Non-Degree Program)

**INTERNATIONAL MOBILITY**

- 134 TUM Informatics students participating in exchange programs (Erasmus exchange program etc.) in study abroad
- 3815 Total Students
- 29% International Students

**PROGRAM FRESHMEN**

- Informatics
- Information Systems
- Informatics: Games Engineering
- Biomedical Computing

**Program Freshmen**

- 302 Informatics
- 117 Information Systems
- 21 Informatics: Games Engineering
- 19 Biomedical Computing
- 13 Automotive Software Engineering
- 10 Biomedical Computing
- 6 Robotic, Cognition, Intelligence
- 4 Computational Science and Engineering

**IN-COMINGS**

- 116 Outgoing exchange students studying at 134 partner universities in 2014

**OUT-GOINGS**

- 839 TUM Informatics students participating in exchange programs (Erasmus exchange program etc.) to study abroad

**TOTAL STUDENTS**

- 3181 Male
- 634 Female
- 32% International Students

**TOTAL STUDENTS WIDE RANGE OF SUBJECTS**

- 344 Male
- 63 Female

**2014**

**Academic Year 2013/2014**

**FRESHMEN**

- 1362 Freshmen Academic year 2013/2014

**BACHELOR Program Freshmen**

- 389 Male
- 185 Female

**ENGLISH Study Programs**

- Informatics
- Information Systems
- Informatics: Games Engineering

**IN-BACK**

- 3815 Male
- 634 Female

**OUT-FRONT**

- 485 Graduates Academic year 2013/2014

**GRADUATES**

- 166 Graduates Academic year 2013/2014

**66 Average Number of Freshmen**

- Bringing up the last 5 years

**2.2**

- Male
- Female

**INTERNATIONAL MOBILITY**

As per the DLRK’s 2013/14 comparison figures, no other Department of Informatics in Germany has more students using the Erasmus exchange program to study abroad.
