All module descriptions are available in English indicating ECTS credits and teaching cycle

Overview of courses taught in English at the Department of Informatics
www.in.tum.de/en/current-students/modules-and-courses.html
Advanced Bachelor (3rd/4th year) students are free to enrol in Master-level courses taught in English!
Offer of practical courses and seminars only indicated in the TUMonline course list, not in the module catalog.

How and where to search for courses?

Information and advice how to compose a learning agreement/study program for an exchange stay.
Please always indicate the Module Code (e.g. IN0001) – see respective module catalog in TUMonline.

Possibility of attending courses from different departments
A 60% minimum of courses in a learning agreement/study program must be taught by TUM Informatics (see IN module code of the course). Otherwise, it is a matter of prerequisites and matching timetables.

English taught Master programs (2 years of studies)
- MSC Informatics – www.in.tum.de/en/master_informatics
- MSc Biomedical Computing – www.in.tum.de/biomedical-computing
- MSc Computational Science and Engineering – www.cse.tum.de
- MSc Informatics: Games Engineering – www.in.tum.de/en/master_informatic_games_engineering
- MSc Data Engineering and Analytics – www.in.tum.de/en/data_engineering_and_analitics

German language courses
TUM Language Center offers courses in German as a foreign language at all levels for free during the semester, as well as fee-based intensive courses during the semester break. www.sprachenzentrum.tum.de/en/

Social and buddy programs at TUM
TUM international: Orientation week at the beginning and further program during the semester.
https://www.international.tum.de/en/global/campuslife/
Departmental buddy program MINGA Mentoring Program: Incoming students are assigned a student mentor of our department to assist them during their study stay. www.in.tum.de/en/mentoring

International Events @in.tum
Our series of International Events brings together international and local students at our department, creating an integrative environment and supporting multilingual exchange for all participants.

How to prepare your application

How to get to Research Campus Garching
http://www.in.tum.de/en/the-department/people-services/how-to-reach-us/

University sports center
http://www.zhs-muenchen.de/en/ [7,50€ - 30€ per semester for all sport offers]

Internships/jobs
Due to different semester dates there is often time to extend the stay for an internship with local companies. www.together.tum.de/en/career/
It is very common for local students to work part time during their studies. Exchange students in the area of computer science can easily find a well-paid job in Munich, often English is the working language!

How and when to apply
Application for incoming exchange students / non degree students via TUM Global & Alumni Office: https://www.international.tum.de/en/exchangestudents/
Deadlines:
15th May for winter semester or the whole academic year
31st October for summer semester
